Holiday Photo Challenge

The holidays are about shiny objects, family reunions, fond memories, acts of kindness, and so much more. This holiday season may look and feel different, but we can still share what is truly important.

As December leads up to Christmas, let your holiday spirit shine. Snap a picture based on the prompts below and share with your friends and us on social media.

Tag @AlleyTheatre on social media and use the hashtag #carolphotochallenge to share your photos.
