

Alley Theatre's Deck the Trees Scavenger Hunt!

Deck the Trees has been a favorite Houston holiday tradition for the past decade, featuring a variety of festive trees coinciding with the Theatre's holiday production of *A Christmas Carol*. This year's Deck the Trees is making its debut at the George R. Brown Convention Center, where the display will appear in the large windowscape facing Avenida de las Americas.

Get out of the house with this socially-distanced way to enjoy the holiday spirit! As you and your family take a fun and safe stroll along the windows, see if you can spot all of the favorite items we've listed below. Once you find them, write down the name of the tree you found it on and snap a pic!
